## Core Competencies

Glory Professional Facility Services (GPFS) has over 30 + years' experience as a leader in facilities maintenance. We are your "One Stop Solution Provider" and thrive on quality and consistent services every time. GPFS has provided expert cleaning and maintenance for over 3,300,000 square feet of governmental, educational and commercial properties. The services include facilities & base operations support, general cleaning of all interior and exterior building facilities, carpet shampooing, and all floor care. Our company also specializes in window cleaning, pressure washing, grounds maintenance, and pre/post construction clean-up in highly visible areas. We manage more than 40 janitors and 5 subcontractors providing quality and efficiency in the delivery of services to our clients. GPFS successful performance on our contracts demonstrates commitment to excellence. We have a thorough comprehensive quality control program in order to identify and prevent defects in the services performed; thereby, allowing our company to fulfill work requirements on time and within budget.
